I - INTRODUCTION

This manual contains an outline of duties and procedures for Judges and Clerks of Election to follow in conducting the **2012 Primary Election**. It has been prepared by our election division and is applicable in counties using Punch Card Ballots.

As Secretary of State, I urge each Election Board official to study this manual thoroughly. The Election Board officials' individual quick references reflect the guidelines in this manual.

If you have any unanswered questions, please contact your County Clerk.

Sincerely,

BEN YSURSA

Secretary of State

II - OVERVIEW

This manual has been written for your day as a poll worker. You will find instructions for conducting the election.

You should have received training on being a poll worker and should be familiar with the information contained in this manual. However, if you have any questions regarding activities at the polls on Election Day, please contact your County Clerk's Elections Office.

Be sure to read this manual carefully as there have been many changes in the Election Laws pertaining to the conduct of the election as well as voter registration.

III - TERMINOLOGY

1. **Ballot Assembly:** As delivered to the polling place, the ballot assembly consists of the following: a gray plastic frame, a yellow mask and the ballot labels which are affixed to the ballot assembly much like the pages in a book. These ballot labels are the official ballot for any given election.
2. **Ballot Card:**
 - a. The ballot card is a prescored data processing card with a single stub attached to the top. The ballot cards may be buff in color or may be color coded to assist with completing the poll book at the end of the night.
 - b. The ballot card, when punched, records the elector's choice of candidates and/or YES/NO response positions.
 - c. You will note that the ballot cards and the ballot labels are of different colors.
3. **Ballot Envelope (i.e. secrecy sleeve):**
 - a. The gray ballot envelope serves two purposes: (1) secrecy of the ballot card; and (2) it is the "write-in" ballot. In order to correctly use this write-in ballot, an elector must write both the title of the office, and the name of the candidate for which he wishes to vote.
 - b. In a Primary Election, the voter must also write the political party of the candidate for which he wishes to vote.
4. **Ballot Labels:** The ballot labels are the pages within the voting booth which contains the names of all candidates and ballot measures.
 - a. In a Primary Election, the ballot labels will be colored depending upon parties participating in the Primary Election and the number of special elections being held on the same day.
5. **Ballot Marking Device (i.e. AutoMark):**
 - a. This device is designed to assist voters who have difficulty seeing or marking a ballot to vote privately and independently.
 - b. The device marks an oval ballot after the voter has made his or her selections on a touch screen or Braille keypad, or with a personal sip and puff device.
 - c. An audio ballot is also available for use with this unit.

IMPORTANT: This device only marks a ballot and no votes are stored in the machine.

6. **Central Counting:** When ballots are transported from the polls to a central location for tabulation.
7. **Closed Primary:** A Closed Primary is a direct primary in which voters can only vote for candidates of the party in which they are registered. This means that voters will only receive the ballot for one party.
8. **Demonstration Ballot Card:** These cards are yellow in color and are clearly marked as demonstration ballots. They are to be used for demonstration purposes only and are not to be voted by the electors. Should any of these yellow ballot cards find their way into the ballot box, they will not be tallied at the counting center.
9. **Demonstration Ballot Label:** The demonstration ballot label as placed in an assembly will have the same colored pages to resemble the official ballot labels. It has no relationship to any Idaho election and is used for demonstration purposes only.
10. **Election Record and Poll Book (i.e. Poll Book):** The Election Record and Poll Book means the book containing a listing of registered voters who are qualified to appear and vote at the designated polling places. The Election Record and Poll Book is used for voter signatures, ballot accounting and keeping track of voting activities throughout Election Day. An additional copy of the Election Record and Poll Book may be maintained by the Receiving Clerk to record that the voter has voted. If a second Poll Book is not provided for use by the Receiving Clerk, a List of Registered Voters will be provided instead. The List of Registered Voters is also a listing of registered voters who are qualified to appear and vote at the polling place. (Sec. 34-111, Idaho Code)
11. **Oval Ballot:**
 - a. The oval ballot is an optical reader ballot with a single perforated stub attached to the bottom of the ballot. Oval ballots are stapled in pads of 25 or 50 ballots.
 - b. The oval ballot is removed from the stub prior to issuing and handing it to an elector.
 - c. The oval ballot is voted by completely filling in the oval opposite the voter's choice of candidates and/or YES/NO response positions. The mark must be made using the marking device provided by the Election Board.
12. **Precinct Counting:** When ballots are tabulated at the polls.
13. **Primary:** A Primary Election is where political parties select the party's nominees to move on to the General Election.
14. **Secrecy Sleeve:** The device used to shield the voter's marked ballot(s) while going from the voting booth or AutoMark to the Receiving Clerk. This is either a plastic sleeve in which the ballot is inserted in the bottom or a manila file folder.

-
- a. The secrecy sleeve is to be used in conjunction with the AutoMark (i.e. Ballot Marking Device). Each voter, after marking the ballot(s), should place the ballot(s) in the secrecy sleeve and return to the Receiving Clerk stationed at the ballot box(es).

15. **Transport Carrier (i.e. Transfer Case):** Any carton, box or other container furnished by the County Clerk, which has the capacity for containing the voted ballot cards and ballot envelopes. This container must be able to be sealed or locked.

16. **Voting Device:** The entire unit is officially identified as the “voting device.” The device is made up of several parts such as a light, an extension cord, the stylus and the ballot assembly.

IV - ELECTOR QUALIFICATIONS

A. Qualified Elector Defined: “Qualified elector” means any person who is eighteen (18) years of age, is a United States citizen and who has resided in this state and in the county at least thirty (30) days next preceding the election at which he desires to vote, and who is registered as required by law. (Sec. 34-104, Idaho Code)

B. Residence Defined: (1) “Residence” for voting purposes, shall be the principal or primary home or place of abode of a person. Principal or primary home or place of abode is that home or place in which his habitation is fixed and to which a person, whenever he is absent, has the present intention of returning after a departure or absence therefrom, regardless of the duration of absence.

(2) In determining what is a principal or primary place of abode of a person the following circumstances relating to such person may be taken into account: business pursuits, employment, income sources, residence for income or other tax pursuits, residence of parents, spouse, and children, if any, leaseholds, situs of personal and real property, situs of residence for which the exemption in section 63-602G, Idaho Code, is filed, and motor vehicle registration.

(3) A qualified elector who has left his home and gone into another state or territory or county of this state for a temporary purpose only shall not be considered to have lost his residence.

(4) A qualified elector shall not be considered to have gained a residence in any county or city of this state into which he comes for temporary purposes only, without the intention of making it his home but with the intention of leaving it when he has accomplished the purpose that brought him there.

(5) If a qualified elector moves to another state, or to any of the other territories, with the intention of making it his permanent home, he shall be considered to have lost his residence in this state. (Sec. 34-107, Idaho Code)

C. Idaho Constitutional Disqualifications (Article VI, Section 3): No person is permitted to vote, serve as a juror, or hold any civil office who has, at any place, been convicted of a felony, and who has not been restored to the rights of citizenship, or who, at the time of such election, is confined in prison on conviction of a criminal offense.

V - PARTY AFFILIATION

As of July 1, 2011, Idaho Code now requires an elector to declare a party affiliation during registration. Electors may designate an affiliation with one of the recognized political parties or may designate themselves as an "unaffiliated" voter (i.e. no party preference). Idaho has four recognized political parties. They are the Constitution, Democratic, Libertarian and Republican parties.

Electors may designate their party affiliation with their party or select no party affiliation (i.e. unaffiliated) in any of these ways:

1. Fill out a new Voter Registration Card.
2. Fill out a Party Affiliation Declaration Form.
3. Declare a party at the polls at the 2012 Primary Election.
4. Any elector who does not select a party affiliation by the 2012 Primary Election will automatically be designated as an "Unaffiliated" voter.

There are elections on non-partisan issues scheduled to be held in conjunction with the Primary Election, such as judicial elections and bond, levy, taxing districts, or state or local questions. All registered voters are entitled to vote on non-partisan candidates and issues during the Primary Election. Party affiliation applies only to the Primary Election and has no effect on voting options at the General Election or any other election.

34-404. Registration of electors. (1) All electors must register before being able to vote at any primary, general, special, school or any other election governed by the provisions of title 34, Idaho Code. Registration of a qualified person occurs when a legible, accurate and complete registration card is received in the office of the county clerk or is received at the polls pursuant to section 34-408A, Idaho Code.

(2) Each elector may select on the registration card an affiliation with a political party qualified to participate in elections pursuant to section 34-501, Idaho Code, or may select to be designated as "unaffiliated." The county clerk shall record the party affiliation or "unaffiliated" designation so selected as part of the elector's registration record. If an elector shall fail or refuse to make such a selection, the county clerk shall enter on the registration records that such elector is "unaffiliated."

(3) In order to provide an elector with the appropriate primary election ballot, pursuant to section 34-904A, Idaho Code, the poll book for primary elections shall include the party affiliation or designation as "unaffiliated" for each elector so registered. An "unaffiliated" elector shall declare to the poll worker which primary election ballot the elector chooses to vote in, pursuant to section 34-904A, Idaho Code, and the poll worker or other authorized election personnel shall record such declaration in the poll book. The poll book shall contain checkoff boxes to allow the poll worker or other authorized election personnel to record such "unaffiliated" elector's selection.

(4) In order to provide electors who are already registered to vote, and who remain registered electors, with an opportunity to select a party affiliation or to select their status as "unaffiliated," the poll book for the 2012 primary election shall include checkoff boxes by which the poll worker or other appropriate election personnel shall record such elector's choice of party affiliation or choice to be designated as "unaffiliated." After the 2012 primary election, the county clerk shall record the party affiliation or "unaffiliated" designation so selected in the poll book as part of such an elector's record within the voter registration system as provided for in section 34-437A, Idaho Code.

(5) After the 2012 primary election, electors who remain registered voters and who did not vote in the 2012 primary election or who have not selected party affiliation or who have not selected to be designated as "unaffiliated," shall be designated as "unaffiliated" and the county clerk shall record that designation for each such elector within the voter registration system as provided for in section 34-437A, Idaho Code.

VI - FREQUENTLY ASKED QUESTIONS

Why does an elector have to designate a party affiliation?

As of July 1, 2011, Idaho Code now requires an elector to declare a party affiliation. This affiliation will determine the elector's eligibility to vote in a particular party's Primary Election. It does not affect the elector's ability to vote in any other election. Party Affiliation is part of the individual's registration data and is public record.

What are the recognized political parties in Idaho?

The four (4) recognized political parties in Idaho are the Constitution, Democratic, Libertarian and Republican Parties. An elector may affiliate with any one of these parties or may choose to affiliate with no political party (i.e. an unaffiliated voter).

What does "Unaffiliated" mean?

"Unaffiliated" simply means the individual is not associating with any political party.

Why is an elector required to select a party ballot?

As a result of a federal court decision in Idaho Republican Party v. Ysursa, the 2011 Legislature closed Idaho's Primary Elections so that only electors affiliated with a party may vote in that party's Primary Election. However, the Legislature gave each party the opportunity to open its Primary Election to electors from other political parties or those who are designated as "unaffiliated."

Each November prior to the Primary Election, each recognized political party in Idaho may notify the Secretary of State of their intent to open their Primary Election. If one of the recognized political parties opens their Primary Election, the elector may then have the option of selecting the ballot of a party other than the one with which the elector is affiliated. See *Primary Election Ballot Options* (on page 41) for an elector's 2012 Primary Ballot Options.

What if an elector refuses to affiliate with a party?

If an elector refuses to make a party affiliation selection, the elector will automatically be registered as an unaffiliated voter (i.e. a voter with no political party preference). This may limit the elector's participation in the Primary Election to the non-partisan ballot only. However, this will not affect the elector's ability to vote in any other election.

Can an elector change his or her party affiliation?

An elector who has affiliated with one of the four (4) recognized parties may change his or her political party affiliation to another party or become an Unaffiliated voter at any time **except** between the day after the close of candidate filing (March 10, 2012) and the Primary Election (May 15, 2012). However, if the elector is re-registering due to moving or a name change, the elector may select any party affiliation without regard to the elector's previous selection.

Electors with no affiliation or those who have registered as an unaffiliated voter may affiliate with one of the four (4) recognized political parties at any time including on Election Day.

What if an elector is given the party ballot requested by the elector, then the elector changes his or her mind and asks for a different ballot?

Once an elector has chosen a primary election ballot and the ballot choice is marked in the poll book, that ballot is the one the elector is entitled to vote. The elector is not allowed to return it and ask for a different party's ballot.

It is imperative that electors be informed about what is on the ballot – or more importantly, what is not on the ballot – before the elector makes his or her choice. Sample ballots for the parties and the non-partisan ballot are to be posted and made available for electors to look at prior to the time the elector appears before the poll book clerk to make a ballot choice.

If the elector makes a mistake in marking the ballot, the elector may receive another ballot by returning it to the issuing clerk. The elector will be given another of the same ballot type, he or she cannot be given a ballot for a different party.

What if an elector's name does not appear on the Poll Book?

First, determine if the elector is in the proper precinct and polling place. When their polling place has been established to be yours, every effort must be made through the County Clerk's Elections Office to substantiate registration credentials.

If a clerical error is found and resulted in an omission in the Poll Book, the qualified elector thus affected shall be allowed to vote. Manually record the elector's name and address in the Poll Book with the notation "clerical error – left off." Then continue with the normal issuing procedures. See *Poll Book Page* (on page 25), Line 12, columns A & C.

If the elector is found not to be registered, the elector may register at the polls on Election Day. They should be directed to the registration table and Election Day Registration procedures should be followed as outlined in the Election Day Registration Manual. The

elector should select a party affiliation or designate themselves as an unaffiliated voter. If the elector does not select a party affiliation, they will automatically be designated as an unaffiliated voter.

When the elector appears before the Poll Book Clerk with a registration card stamped “residence verified,” the Poll Book Clerk enters the elector’s name and address along with the notation “election day registration” in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continues with the normal issuing procedures. (34-408A, I.C.) See *Poll Book Page* (on page 25), Line 13, columns A & C.

IMPORTANT: An elector registered with one of the four (4) recognized political parties may not change their party affiliation between March 10th and May 15th, 2012. An elector designated as "unaffiliated" may change their party affiliation at any time including on Election Day. Any elector who does not select a party affiliation by the 2012 Primary Election will automatically be designated as "unaffiliated." However, an elector who is re-registering due to moving or a name change is treated as a new registrant and may select any party affiliation regardless of the selection on a previous Registration Card or Party Affiliation Form.

What if an elector’s address does not appear in the Poll Book but shows “Protected” instead?

An individual whose address is missing in the Poll Book and has “Protected” under his or her name has been designated as an individual whose residence address is confidential. See *Poll Book Page* (on page 25), Line 7, column A. **DO NOT** enter any address in the Poll Book for this elector. This elector must show an *acceptable photo ID* (see "Identification Required" on page 36) or sign the Personal Identification Affidavit then sign the Poll Book prior to receiving the appropriate ballot(s). If there is any question regarding this individual’s registration, contact the County Clerk’s Election Office immediately.

IMPORTANT: Individuals with this notation have been accepted into either the Address Confidentiality Program for Victims of Violence in accordance with Title 19, Chapter 57, Idaho Code, the Address Confidentiality Program for Law Enforcement Officers in accordance with Title 19, Chapter 58, Idaho Code or who have shown good reason to the County Clerk and County Prosecuting Attorney to require his or her residence address to be deemed Confidential in accordance with 9-340C, Idaho Code.

What if an elector's ADDRESS is different than what appears in the Poll Book?

No person shall knowingly sign his name in the Poll Book if his residence address is not within that precinct at the time of signing.

If a clerical error is found and resulted in the incorrect listing of the elector's residence address in the Poll Book, the qualified elector thus affected shall be allowed to vote. Manually correct the elector's address in the Poll Book with the notation "corrected address." Then continue with the normal issuing procedures. (34-1106, I.C.) See ***Poll Book Page*** (on page 25), Line 6, columns A & C.

If the residence address is incorrect because the individual has moved, determine if the elector is in the proper precinct and polling place. If it is determined that the elector is in the incorrect polling place, direct them to the correct polling place. If it is determined that their polling place is yours and they are qualified to vote, the elector may provide proof of residence accompanied with a photo ID card and register at the polls on Election Day. They should be directed to the registration table.

When the elector appears before the Poll Book Clerk with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continues with the normal issuing procedures. (34-408A, I.C.) See ***Poll Book Page*** (on page 25), Line 13, columns A & C.

What if an elector's NAME is different than what appears in the Poll Book?

An individual whose name is different than what appears in the Poll Book, because it has been changed by either marriage or by court order and in all other respects are qualified to vote, may provide proof of residence accompanied with a photo ID card and register at the polls on Election Day. They should be directed to the registration table. (34-408A, I.C.)

When the elector appears before the Poll Book Clerk with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continues with the normal issuing procedures. (34-408A, I.C.) See ***Poll Book Page*** (on page 25), Line 13, columns A & C. The Poll Book Clerk should also make the notation "Name change see page # - Election Day Registration" next to the elector's original registration entry. See ***Poll Book Page*** (on page 25), Line 5, columns A & C.

IMPORTANT: An elector who is re-registering due to moving or a name change is treated as a new registrant and may select any party affiliation regardless of the selection on a previous Registration Card or Party Affiliation Form. Any elector who does not select a party affiliation by the 2012 Primary Election will automatically be designated as "unaffiliated."

What if an elector has moved within the county and has failed to re-register?

With proof of residence accompanied with a photo ID, the elector may register at the polls on Election Day. They should be directed to the registration table. When the elector appears before the Poll Book Clerk with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continues with the normal issuing procedures. (34-408A, I.C.) See *Poll Book Page* (on page 25), Line 13, columns A & C.

IMPORTANT: An elector who is re-registering due to moving or a name change is treated as a new registrant and may select any party affiliation regardless of the selection on a previous Registration Card or Party Affiliation Form. Any elector who does not select a party affiliation by the 2012 Primary Election will automatically be designated as "unaffiliated."

What if an elector has moved into the county and did not register prior to the registration cutoff?

With proof of residence accompanied with a picture I.D., the elector may register at the polls on Election Day. They should be directed to the registration table. When the elector appears before the Poll Book Clerk with a registration card stamped "residence verified," the Poll Book Clerk enters the elector's name and address along with the notation "election day registration" in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. Then continues with the normal issuing procedures. (34-408A, I.C.) See *Poll Book Page* (on page 25), Line 13, columns A & C.

IMPORTANT: An elector who is re-registering due to moving or a name change is treated as a new registrant and may select any party affiliation regardless of the selection on a previous Registration Card or Party Affiliation Form. Any elector who does not select a party affiliation by the 2012 Primary Election will automatically be designated as "unaffiliated."

Is a photo ID required at every election?

Yes, Idaho Code requires each elector to either show an acceptable photo ID or sign a Personal Identification Affidavit prior to voting at **any** election. (34-1106, Idaho Code)

What if an individual does not have one of the acceptable forms of identification?

An elector must either show an *acceptable photo ID* (see "Identification Required" on page 36) or sign the Personal Identification Affidavit prior to voting. If an individual does not have one of the acceptable photo ID, the individual must complete and sign the Personal Identification Affidavit prior to being issued the appropriate ballot(s). No elector is to be turned away or not allowed to vote for not having one of the acceptable forms of identification as long as the elector signs the Personal Identification Affidavit. Every elector that appears to vote should be allowed to vote unless they do not meet the legal qualifications. If the elector signs the Personal Identification Affidavit in lieu of showing acceptable photo identification, the Poll Book Clerk will make the notation "Affidavit" in the remarks column to the right of the elector's signature. (34-1113, I.C.) See *Poll Book Page* (on page 25), Line 11, column C.

What if an individual asks if another elector has voted?

No judge or clerk shall communicate to anyone, including spouses, watchers and challengers, any information as to the name or number on the Poll Book of any elector who has not applied for a ballot, or who has not voted at the polling place. (34-1110, I.C.)

Who can challenge an entry in the Election Record and Poll Book?

Besides the Election Board and the persons authorized by the County Clerk to serve as challengers, any registered elector may challenge the entry of an elector's name as it appears in the Poll Book. Such a challenge will be noted in the remarks column following the elector's name stating the reason, such as "died," "moved," or "incorrect address." The individual (i.e. designated challenger, elector or Election Clerk) making the challenge shall sign his name following the entry. (34-431, I.C.) See *Poll Book Page* (on page 25), Line 2, column C.

When is the Oath of Challenged Person (E-7) tendered?

If an elector's name as it appears in the Poll Book has been challenged with a challenged notation and the elector appears to vote, one of the Election Clerks must declare the qualifications of an elector to such person. If the person declares himself duly qualified and the challenge is not withdrawn, the Election Clerk shall tender him the Oath of a Challenged Person (E-7). **No challenged elector shall have the right to vote until he has subscribed to the Oath of a Challenged Person.** (34-1111, I.C.) See "*qualified elector*" *definition* (on page 11).

Does the challenged elector need to sign the Poll Book after having subscribed to the Oath of a Challenged Person?

Yes, the elector must sign the Poll Book in the Signature of Voter Column to the right of their name. The Poll Book Clerk enters the word “sworn” following such elector’s name and signature in the Remarks Column of the Poll Book. (34-1106(2), I.C.) See *Poll Book Page* (on page 25), Line 2, column C.

What are the roles of the designated poll watchers and challengers?

Watchers and challengers are people authorized by the County Clerk to be present at the polls on Election Day. These authorized individuals shall wear a visible name tag which includes their respective title.

Individuals authorized to serve as watchers may watch the conduct of the election at the polls and the counting of votes. While watching the counting of the votes, they are not allowed to absent themselves except for brief breaks until the polls are closed so that results are not released prior to the close of the polls throughout the state. Individuals authorized to serve as challengers may challenge electors' registration as they offer to vote. (34-304, I.C.) Challengers are not appointed to challenge the voting process or the activity at the polling place. They are only there to challenge electors' registrations.

Watchers and challengers are not to interfere with the electors or the voting process. If you feel that a watcher or challenger is interfering with the duties of the Election Board or the voting process, contact your County Clerk’s Election Office or courteously point out what their role as a watcher or challenger is.

NOTE: Challengers are only allowed during partisan elections since challengers are appointed by party officials.

What if an elector makes a mistake when he is voting and requests a new ballot?

The elector returns the spoiled ballot(s) to the Issuing Clerk. No person shall take or remove any ballot from the polling place.

The returned ballot(s) shall be marked on the back “spoiled ballot – another issued” and deposited in the Spoiled Ballot Envelope or Container. Issue a new ballot and record the new sequence number in the proper column after the elector's name. Make the notation in the remarks column “spoiled ballot – another issued.” Only the ballot that was spoiled needs to be reissued. If there is more than one ballot, do not spoil and issue all new ballots. Instruct the elector to finish the voting process in the usual manner. (34-1109, I.C.) See *Poll Book Page* (on page 25), Line 10, column C & the sequence # column.

What if an elector, because of physical disability, cannot enter the polling place?

Such elector may be issued the appropriate ballot(s) outside the polling place by one of the Election Clerks. The elector will have someone inform the Election Clerks that they are there to vote curbside. An Election Clerk will take the elector the Poll Book or Poll Book page with the individuals' name on it along with the appropriate ballot(s) and secrecy sleeve, if required. The elector will sign the Poll Book and show *acceptable photo ID* (see "Identification Required" on page 36) or sign the Personal Identification Affidavit.

Then in the presence of the Election Clerk but in a secret manner, the elector will mark and return the ballot(s) to the Election Clerk. The Election Clerk will then return the voted ballot(s) to the Receiving Clerk where the ballot(s) will be recorded as being voted and deposited into the voted ballot box. Whenever an elector receives assistance in this manner, a Clerk shall make a notation of "assistance" in the Poll Book following the name of the elector. See *Poll Book Page* (on page 25), Line 10, column C.

What if an elector is unable to record his vote personally?

Any elector who, because of blindness, physical disability or other disability is unable to mark the ballot(s) may vote independently by using the AutoMark or may receive assistance from one of the Election Clerks or by any individual of their choosing.

If the elector chooses to vote independently by using the AutoMark, the AutoMark should be demonstrated. This unit marks an oval ballot after the elector has made his selections on the touch screen, Braille keypad, or with a puff and sip device. The AutoMark also has an audio ballot available for use by those who are visually impaired.

If the elector chooses to receive assistance from an Election Clerk or an individual of their choosing, such individual shall ascertain the wishes of the elector and mark the ballot accordingly. The individual giving assistance shall thereafter give no information regarding such marking. Whenever an elector receives assistance in this manner, the Poll Book Clerk shall make the notation of "assistance" in the Poll Book following the name of the elector. (34-1108(2), I.C.) See *Poll Book Page* (on page 25), Line 10, column C.

IMPORTANT: The choice of voting with or without assistance shall be left to the elector.

Can we post or display the list of write-in candidates, if there are any?

No, the list of Write-In candidates is not to be posted or displayed within the polling place. Doing so may be construed as Electioneering, which is prohibited by Idaho Law.

What if an elector asks if there is a write-in candidate for a specific office?

If an elector asks if there is a write-in candidate for a specific office or race, you may give the elector the name of the write-in candidate that the elector is requesting. However, this does not mean that you can give the elector a complete list of write-in candidates. You may only give the information for a specific race or write-in candidate.

What if there is a vacancy on the Election Board?

In the absence of a Chief Judge, the County Clerk will designate a new Chief Judge.

In the absence of an Election Clerk, the Chief Judge should designate a qualified replacement. If Election Clerks were assigned based on their political party, the replacement should be of the same political party.

Any person thus designated to fill a vacancy must take and subscribe to the Oath of Office for Members of the Election Board on the front cover of the Poll Book.

What if the Official Election Stamp is lost?

The Issuing Clerk shall initial each ballot and write “stamped” upon the ballot in the appropriate place. (34-901, I.C.)

Can political signs be posted on or around the polling place?

No person shall do any electioneering or circulate petitions on Election Day within any polling place, or any building in which an election is being held, or within one hundred (100) feet thereof. For specific prohibited activities, refer to the Election Laws book under Title 18, Chapter 23. (18-2318, I.C.)

What do we do if there is a disturbance within the voting area?

The Election Clerks may appoint some capable person to act as an Election Constable. He shall allow no one within the voting area, except those who go to vote and shall allow but one (1) elector in a compartment at one (1) time unless the elector has requested assistance. The Constable is to see that the election is conducted in an orderly manner. Notify the County Clerk’s Election Office of any disturbances within the polling place. (34-1105, I.C.)

Once the ballot is in the ballot box, can it be removed?

No, once a ballot is placed in the ballot box, it is considered voted and cannot be retrieved. The ballot box shall only be opened at the end of the Election Day, unless duplicate boxes are being used for counting purposes.

What if an AutoMark becomes defective?

If a unit does not operate properly at the polls, Election Clerks are to follow the troubleshooting checklist provided by the vendor and document the troubleshooting procedure. Documentation is essential to correctly identify and explain problems. Call the County Clerk's Election Office if the unit does not operate properly after following the checklist and documentation of issues. The unit should be turned off but left in place until a county worker or vendor representative, wearing identification as an Election Clerk, can repair or replace the unit.

The election supplies will either be delivered to the polling place by the County Clerk or a designee or will have been picked up by the Chief Judge of the precinct on or before the opening of the polls for the election. The official ballots, the official stamp and ink pad will be delivered in sealed packages. (34-910, I.C.)
2. Immediately upon receipt of the ballots and supplies, the Chief Judge and County Clerk or designee will sign the Receipt for Supplies (E-8) for such supplies. The Chief Judge and County Clerk or designee will each keep a copy of the signed receipt. (34-910, I.C.)

ON ELECTION DAY BEFORE THE POLLS OPEN

ARRIVING AT THE POLLS & CHECKING SUPPLIES

1. For an 8:00 a.m. opening, report to the polling place no later than 7:30 a.m., unless specified otherwise by the County Clerk.
2. Carefully check the election supplies. See the *list of precinct supplies* (see "IX - Election Records and Supplies" on page 85). Contact the County Clerk's Election Office immediately if a shortage exists or if there is a question regarding the contents.

IMPORTANT: Do **NOT** open the sealed packages containing the Official Ballots, Official Election Stamp and ink pad until the first elector arrives to vote. These are to be opened in front of bystanders.

POSTING PLACARDS AND SETTING UP THE POLLS

1. Post the VOTE HERE SIGN (E-5) in a visible location such as a window or on the exterior of the polling place building. Use a marker to enter the county, precinct and time on the sign for your polling place.
2. Post Sample Ballot(s), Mail-in Registrants (E-10) and Voter's Rights (EP-11) placards in the polling place and the Punch Card Ballot Voting Instructions Placard (E-3PC) in each voting booth.

-
3. Post the Election Day Registration placard (EDR-4) and the Register to Vote Here placard (EDR-5) on or close to the registration table.
 4. Post the Party Affiliation Information placard (E-40) and the Primary Election Ballot Options placard (E-41) in the polling place where voters may see them before they reach the Poll Book Clerk.
 5. Arrange the polling place with the ballot box(es), booths and AutoMark in view of the Election Clerks present.
 - a. Set up the AutoMark in a location within the polling place where a wheelchair has clear access to the booth but the screen is shielded from view by other voters. Also, be sure to have a chair on hand for use by electors needing one while using the device.
 6. Place voting devices on the legs provided in the cases and be sure that each booth has light. Also, check that the electrical cords are not a hazard to voters.
 7. Check the ballot pages in each voting device against the information supplied by the County Clerk. They must list the candidates and issues in the same order and ballot position number as the list provided by the County Clerk.
 8. Insert a yellow demonstration ballot card in each voting device and punch all possible voting positions. Check that all the correct numbers have been punched in the ballot card.
 - a. If there is any discrepancy in the punched numbers, contact the County Clerk's Election Office immediately.

ASSIGNMENT OF DUTIES

1. It is suggested that specific duties be assigned within the following framework:
 - a. One (1) Clerk to be the Greeter.
 - 1) This individual should greet electors as they appear at the polling place, give electors a demonstration on how to vote the ballot(s) or use the AutoMark, direct electors to either the registration table or the Poll Book Clerk depending upon whether they are registered or not, remind electors that they need to have their photo identification ready to show to the Poll Book Clerk, hand out the Personal Identification Affidavit to voters who do not have their photo ID and answer questions.

 - e. One (1) Clerk to be the Receiving Clerk.
 - 1) This individual is responsible for either the additional copy of the Poll Book or the List of Registered Voters, instructing voters on how to deposit the voted ballot(s) or depositing the voted ballot(s) in the ballot box(es), marking that the elector has voted in either the additional copy of the Poll Book or a List of Registered Voters and announcing the electors name and that the individual has voted for all to hear.
 - f. One (1) Clerk to explain and answer questions on how the Closed Primary works with Party Affiliation and the lack of a Presidential Preference Primary.

- 1. The elector appears before the Poll Book Clerk.
 - a. Each elector must state his or her name and residence address to the Poll Book Clerk along with either showing an *acceptable photo ID* (see "Identification Required" on page 36) or signing a Personal Identification Affidavit. (34-1106, 34-1113 and 34-1114, I.C.)
 - b. See *Suggested Language for Poll Book Clerk* (on page 81).

NOTE: An elector may be registered with a Protected Address. If this is the case, "Protected" will appear beneath the elector's name in the Poll Book. **DO NOT** enter an address in the Poll Book for this elector. See "*Protected*" *Address* (see ""Protected"" on page 39) under Notations. If there is a question regarding this reference, refer to the Frequently Asked Question, "*What if an elector's address does not appear in the Poll Book but shows "Protected" instead?*" (on page 17) for an explanation.

DETERMINING THE ELECTOR'S REGISTRATION STATUS

- 1. The Poll Book Clerk either locates the elector's name in the Poll Book and requests the elector to state his or her residence address **or** adds the elector's name to the Poll Book, depending upon the elector's registration status.
 - a. The elector is properly registered and appears in the Poll Book. See *Elector is properly Registered* (on page 36).

ELECTOR IS PROPERLY REGISTERED

1. The elector's name appears in the Poll Book.
 - a. The Poll Book Clerk requests the elector to state his or her residence address and verifies that the address printed in the Poll Book for the elector is the same as the one given by the elector.
 - 1) If the address matches what the elector gives verbally, the elector must show one of the acceptable forms of ID or sign the Personal Identification Affidavit. See ***Identification Required*** (on page 36).
 - b. If the address does not match, determine the cause of the difference. Refer to the questions in the ***Frequently Asked Questions section*** (see "VI - Frequently Asked Questions" on page 15) for assistance with determining the problem and finding the solution.

NEW REGISTRATION CARD

1. The elector has completed a registration card at the polls.
 - a. The Poll Book Clerk checks the registration card for complete information and the "Residence Verified" stamp.

NOTE: Be sure the elector has signed the card and completed all of the required fields.

 - b. The Poll Book Clerk enters the individual's name and address along with the notation "election day registration" in the Remarks column in the Poll Book on one of the blank Poll Book pages provided at either the end of each alpha division or at the back of the Poll Book. See ***Poll Book Page*** (on page 25).

 - 2) A U.S. passport or Federal photo identification card

-
- 3) A tribal photo identification card

- b. If an elector does not have one of the above forms of acceptable ID, they should be given the Personal Identification Affidavit to sign in lieu of showing photo ID.

NOTE: An elector should not be denied their right to vote because they do not have one of the acceptable forms of identification. They should be given the Personal Identification Affidavit to complete unless there is the notation "Registered by Mail - ID Required" in the poll book next to their name. If the elector has the notation "Registered by Mail - ID Required," the elector is not allowed to sign the Personal Identification Affidavit and must show identification, as required by Federal Law.

2. An ID listed above is acceptable if the photo matches the individual and the name on the ID matches the name listed in the Poll Book.

NOTE: Common abbreviations and nicknames are acceptable. However, a name change requires the voter to re-register.

3. The elector:
 - a. **Has an acceptable ID** and the photo matches the individual and the name on the ID matches the name in the Poll Book, proceed to Notations.
 - b. **Does not have an acceptable ID**, the elector may fill out and sign the Personal Identification Affidavit. The elector must sign the Personal Identification Affidavit in order to vote. Once the affidavit is filled out, both the elector and the Poll Book Clerk must sign the affidavit. Then proceed to Notations.

NOTE: The individuals' address on their photo ID is not required to match the address in the Poll Book. The address in the Poll Book should match the address given verbally by the elector. If the address is different due to the elector moving, the elector must re-register. Direct the elector to the registration table.

You **must** check for any notations in the Remarks Column and beneath the elector's name.

1. Here is a list of notations that may be found in the Remarks Column or beneath the elector's name.

ELECTOR DEPOSITS

1. **Punch Card Ballot:**

 - 2) If the card is not in the pocket, you will see the ballot card. Request that the elector insert the ballot card properly into the gray secrecy envelope.

- c. The Receiving Clerk will carefully remove the ballot stub from the ballot card without removing the ballot card from the gray secrecy envelope by folding the ballot stub back and forth across the perforation before tearing. IMPORTANT: NEVER LEAVE THE BALLOT BOX(ES) UNATTENDED!

ASSISTANCE TO THE VOTER

Whether an elector chooses to vote the Punch Card Ballot without assistance or use one of the following options for assistance when voting, the decision is left to the elector. Although the AutoMark is available in every polling place, an elector may still request assistance from another person or utilize curbside voting. All electors have the following options for assistance when voting: Using the AutoMark, Receiving Assistance from Another Person, or Curbside Voting.

AUTOMARK

1. This device marks a ballot with the selections made by an elector who has difficulty seeing or marking a ballot.
2. No votes are stored in the machine. The AutoMark only marks a ballot. Ballots are hand counted by the Election Clerks.
3. For instructions on operating the AutoMark, refer to the AutoMark Procedural Manual.

ASSISTANCE BY ANOTHER PERSON

1. Any elector who, because of blindness, physical disability or other disability, is unable to mark the ballot(s) may request assistance from an individual of their choice in marking the ballot(s).

-
- a. An elector may request assistance from one of the Election Clerks or from any person of their choice.
 - b. The individual assisting the elector will ascertain the wishes of the elector for each office, ballot measure or ballot question and will mark the ballot(s) accordingly.
 - c. The individual assisting the elector is not allowed to give any information regarding the marking of the ballot(s).
 - d. Upon receiving assistance in this manner, the Poll Book Clerk will make the notation of “assistance” in the Remarks Column of the Poll Book following the name of the elector receiving such assistance. See the ***Poll Book Page*** (on page 25), Line 10, Column C.

CURBSIDE VOTING

1. Any elector who, because of physical disability or other disability, is unable to enter the polling place may request assistance at their vehicle.
 - a. An elector may have someone notify the Election Clerks in the polling place that they are in the parking lot and need the ballot(s) brought to them because they are unable to enter the polling place.
 - b. The Election Clerk will take the Poll Book or appropriate Poll Book page, and either the portable punch card machine, ballot(s), and gray secrecy envelope or the appropriate AutoMark ballot(s) and secrecy sleeve to the elector in their vehicle in the polling place parking lot.

IMPORTANT: If the elector is eligible to vote more than one ballot style or type, each ballot should be stamped with the Official Election Stamp and delivered to the elector.

- c. An Election Clerk must follow the same steps as if the elector appeared in the polling place.
 - 1) The elector must state his or her name and residence address then either show an ***acceptable photo ID*** (see "Identification Required" on page 36) or sign the Personal Identification Affidavit.
 - 2) The Election Clerk must verify the elector's address and photo ID, check for any notations in the Remarks Column to the right of the elector's name or beneath the elector's name, have the elector sign the Poll Book and issue the appropriate ballot(s).
- d. The elector signs the Poll Book next to his or her name, votes the ballot(s) in a private manner, places the voted ballot(s) in either the gray secrecy envelope or the secrecy sleeve and returns them to the Election Clerk.
- e. The Election Clerk returns the Poll Book or Poll Book page to the Poll Book Clerk.

THROUGHOUT THE DAY

1. Prior to voting, instructions and a demonstration on how to vote the Punch Card Ballot should be given to all electors and the AutoMark to those who wish to use it. For a sample demonstration script, see *Greeting Voters & Demonstration* (see "VIII – Greeting Electors and Voting Demonstration" on page 75).
2. After the Receiving Clerk bundles the Punch Card Ballot stubs in a stack of 25, the stack should be placed in the Voted Ballot Stub Envelope (EE-6) for returning to the County Clerk at the end of the night.
3. After a pad of Oval Optical Scan Ballots (i.e. AutoMark ballots) has been issued, place the pad of ballot stubs in the Voted Ballot Stub Envelope (EE-6) for returning to the County Clerk at the end of the night.
4. Voting booths must be inspected as frequently as feasible to make certain that no sample ballot, literature, flyers, stickers, etc. are left in them after an elector votes the ballot. Any material must be removed from the voting booth.
 - a. During this inspection, the face of the punch card voting device and the ballot labels should be examined to insure that the device and ballot labels have not been damaged or tampered with (34-2420, I.C.) If tampering or defacing is evident, close the voting booth and immediately call the County Clerk’s Election Office.

UPDATING THE POLL BOOK

(For those counties that centrally count absentee ballots instead of delivering them to the polls to be counted.)

1. At some point during the day, the County Clerk or designee will deliver or electronically send to the polling place a list of electors who have either voted by In-Person Absentee Ballot or returned a Mail-In Absentee Ballot to the County Clerk's Elections Office after the Poll Book was printed.

 - a) If it is not marked, place an "X" in the correct Party box in the Party column.
 - 2) Verify that the box for the correct Party Ballot selection the elector made is marked in the Ballot Type Column to the right of the elector's name.
 - a) If it is not marked, place an "X" in the appropriate Ballot Type box in the Ballot Type column.

IMPORTANT: If the Non-Partisan Judicial candidates or questions do not appear on the partisan ballots (i.e. Democratic or Republican Party ballots), be sure to mark both the partisan checkbox and non-partisan checkbox on the poll book for the voter. This will assist at the end of the night when you are completing the ***Ballot Accounting Page*** (on page 73).

NOTE: This process must be done to be sure that an elector will not be able to vote twice in the election. If there is any question regarding an elector's name appearing on the list received from the County Clerk, immediately contact the County Clerk's Election Office.

RECEIVING AND PROCESSING ABSENTEE BALLOTS

(Only those counties where absentee ballots are sent to the polls.)

RECEIVING THE ABSENTEE BALLOT CARRIER ENVELOPE

 - 1) One Election Clerk reads the names listed on the Affidavit Envelopes while the other marks off the names on the list of elector's names that was included in the delivery of the Carrier Envelope.
 - 2) Upon locating the missing name or the additional envelope, contact the County Clerk's Election Office and report the discrepancy. Then, correct the number of Affidavit Envelopes on the Judges Receipt for Absentee Ballots.
 - 3) The Chief Judge and County Clerk or designee will then sign the Judges Receipt for Absentee Ballots (EA-1). The Chief Judge and County Clerk or designee will each keep a copy of the signed receipt. This will assist at the end of the night when you are completing the *Ballot Accounting Page* (on page 73).

AFTER THE POLLS CLOSE

After all electors who were waiting in line at 8:00 p.m. have voted and the polls have closed, the Election Clerks will complete the following tasks. It is suggested that the following tasks be assigned to Election Clerks in groups of two. More than one team of Election Clerks may be working on different tasks at the same time.

TASK 1 – POLL BOOK TALLY AND COMPARISON

1. The Poll Book Clerk and Receiving Clerk will compare the Poll Book signed by the electors with either the second Poll Book or the List of Registered Voters kept by the Receiving Clerk. Both Election Clerks should have the same electors marked as voting.

- a. Missing electors:

- 1) Correct any mistakes that may be found, until they are found to agree.

NOTE: If the Poll Book is divided into alpha sections, each Poll Book section must be compared to either the second Poll Book or the List of Registered Voters.

- b. An elector did not sign the Poll Book:

- 1) If an elector did not sign the Poll Book before being issued a ballot, make a note in the Poll Book in the Remarks Column after the elector's name that the elector voted without signing the Poll Book.

- c. The Ballot selection was not identified in the Poll Book in the Ballot Column:

- 1) If the Ballot selection was not identified in the Poll Book before issuing the ballot(s), make a notation in the Poll Book in the Remarks Column after the elector's name that the ballot selection was not marked.

NOTE: If an elector votes without signing the Poll Book and the ballot selection was not identified in the Ballot Column, you may not be able to account for the Ballot(s) the elector voted while reconciling the Ballot Accounting Page.

a. Republican Party Ballot Only:

c. Non-Partisan Ballot:

- 1) Count the number of elector's signatures of elector's who received the Non-Partisan Ballot.

- 2) Record that number on the bottom of each page on the Line "Number of Non-Partisan Ballots."

d. If additional ballot types or styles were delivered to the polls:

- 1) Count the number of elector's signatures of elector's who received the additional ballot type or style.
- 2) Record that number on the bottom of each page. There is not a specific line for this number.

NOTE: If absentee ballots were sent to the polls, the signature count will include those electors who were marked during the Receiving of the Absentee Ballots. If absentee ballots were not sent to the polls, do **NOT** include the absentee electors in this number.

3. Totaling the number of Signatures and completing the Ballot Accounting page (E-2B) in the Poll Book that the electors signed.

a. Non-Partisan Ballots

VIII – GREETING ELECTORS AND VOTING DEMONSTRATION

“Make Your Vote Count.”

Each elector should be greeted when arriving at the polling place and verified that they are in the correct location. If they are in the incorrect location, assist the elector by locating the correct polling place and directing them to it. If the elector is in the correct polling place, verify that they have one of the acceptable forms of ID prior to approaching the Poll Book Clerk. The acceptable forms of ID are listed below. If the elector has one of the acceptable forms of ID, they should be directed to the Poll Book Clerk. If the elector does not have one of the acceptable forms of ID, they should be given a Personal Identification Affidavit to complete attesting to their identity.

ACCEPTABLE FORMS OF ID

1. Every elector must either show one of the acceptable Photo ID’s or sign the Personal Identification Affidavit. (34-1113 and 34-1114, Idaho Code)
 - a. Acceptable forms of ID are:
 - 1) An Idaho driver’s license or identification card
 - 2) A U.S. passport or Federal photo identification card
 - 3) A tribal photo identification card
 - 4) A current student photo ID, issued by an Idaho high school or post secondary educational institution

SUGGESTED LANGUAGE FOR GREETER

Here is suggested language for interacting with voters when they arrive at the polling place. Your assistance will prepare them to either show ID then sign the Poll Book or to register to vote.

Suggested Language for Greeters	If Yes	If No
Hello, welcome to polling place name. Is this your polling place?	Next Question	Let's find out where your polling place is. Assist the elector in locating their polling place by using the precinct map or street list.
Good. Are you registered?	Next Question	Direct the elector to the Election Day registration table.
Good. Do you have your photo ID with you today?	Next Question	You need to present acceptable photo ID or sign the Personal Identity Affidavit to vote in Idaho. On the affidavit you swear to your identity. Here is the affidavit for you to fill out while you are waiting. Please give it to the Poll Book Clerk when you sign the Poll Book and you will be issued a ballot.
Good, you are all set. Please show your photo ID to the Poll Book Clerk when you sign the Poll Book and then you will be issued a ballot.		

Also, prior to the elector approaching the Poll Book Clerk, each elector should be given a demonstration on voting procedures. The following instructions, with a demonstration of each point, should be followed.

SUGGESTED LANGUAGE FOR DEMONSTRATION

Prior to the voter approaching the Poll Book Clerk, each elector should be given a demonstration on voting procedures.

Great attention should be given to the demonstration. Many electors will say that they already know how to use the voting device. Nonetheless, the demonstrator should make every effort to gain their attention and to show each elector how to punch the ballot card. The following instructions, with a demonstration of each point, should be followed:

“Let me show you how to vote on the voting device. We want to be sure that you understand how this voting device is used.”

“Insert the ballot card and place the slots over the red pins (demonstrate). You cannot punch the ballot card until the ballot card is in the correct position.”

Primary: “You must restrict your voting to the political party selected when signing the poll book. Vote for candidates appearing on this ticket and candidates for nonpartisan judicial offices only. You must restrict your voting to only one party. You may vote for not more than the number of candidates specified on the ballot label for each office.”

General “You may vote for not more than the number of candidates specified on the ballot label for each office. You are not required to restrict your vote to any one party in the General Election.”

“Take the stylus, hold it vertical and punch THROUGH (demonstrate) the ballot card after the candidate of your choice.” (Here, actually have the voter take the stylus in hand and punch one or two positions.)

“BE SURE YOU PUNCH ALL THE WAY THROUGH THE CARD.”

“Notice the black spot, which shows that you have recorded a vote. After you have finished voting, withdraw the ballot card. It should look like this.”

(Hold up a ballot card for the voter to actually see the holes.)

“It is suggested that you check the back of your ballot for hanging chads. A chad is the small piece of ballot that should be removed if the ballot is punched completely through. If there are any of these attached to the back of your ballot either carefully remove them or place the ballot back into the voting device and repunch those votes.”

“You may also wish to check your ballot card after voting by comparing the number punched out with the numbers following each candidate or measure. If you are satisfied that you have correctly punched your ballot card, place it in the envelope like this (demonstrate) and take the ballot card and the envelope to the clerk in charge of the ballot box who will remove the stub, deposit your ballot (card within envelope) in the box, and record that you have voted.”

“Please **DO NOT USE PENCILS, PENS,** or other instruments in punching the ballot card. **ONLY THE STYLUS** is to be used in punching.”

After completing the demonstration, mention that when the elector wishes to vote, for someone whose name is not on the ballot labels or where there is no candidate shown on the ballot label for an office, he may do so by writing in the office title, political party (only in the primary is the political party required) and the name of the individual the elector wishes to vote for on the gray ballot envelope.

SUGGESTED LANGUAGE FOR POLL BOOK CLERK

Here is suggested language for interacting with voters when they appear before the Poll Book Clerk.

1. Poll Book Clerk:
 - a. Registered Elector Appears:
 - 1) Poll Book Clerk: "Hello, may I have your name?"
 - a) Locate the elector's name in the Poll Book.
 - i) Name appears in the Poll Book, proceed to line 2.
 - ii) Name does not appear in the Poll Book or the elector's name is different, direct the elector to the Registration Table to complete Election Day Registration and to return with a verified Registration Card.
 - b. New Registrant Appears:
 - 1) Poll Book Clerk: "Hello, may I have your Registration Card?"
 - a) Add the elector's name to the Poll Book on one of the lines on the blank page at either the back of the Poll Book or the Alpha Letter.
 - b) Proceed to line 4.
 2. Poll Book Clerk: "Great, please state your residence address."
 - a. Verify the address given verbally by the elector matches the address printed in the Poll Book beneath their name.
 - 1) If the address matches, proceed to line 3.
 - 2) If the address does not match what is printed in the Poll Book, determine if the elector has moved.
 - a) If the address is different due to the elector moving, direct the elector to the Registration Table to complete Election Day Registration and to return with a verified Registration Card.
 - b) If the address is different due to a clerical error in the Poll Book which has been verified by contacting the County Clerk's Elections Office, make the correction on the Poll Book and make the notation "Clerical Error" in the Remarks Column. Proceed to line 3.
 3. Poll Book Clerk: "Idaho Law requires each elector to show a photo identification card. Do you have a picture ID with you today?"
 - a. Refer to the list of ***Acceptable Forms of ID*** (see "Identification Required" on page 36).

-
- 1) Verify the name printed on the picture ID matches the name printed in the Poll Book and the photo matches the individual. Proceed to line 4.
 - 2) Remember, common abbreviations and nicknames are acceptable. However, a name change requires the elector to re-register.
 - a) If the elector does not have one of the acceptable forms of ID or refuses to show one, they may complete a Personal Identification Affidavit. Give the elector a Personal Identification Affidavit to complete. Once completed, proceed to line 4.
4. Poll Book Clerk: "As a result of a federal court decision, the 2011 Legislature closed Idaho's Primary Elections so that only electors affiliated with a party may vote in that party's Primary Election and requires each elector to either affiliate with one of the 4 recognized political parties or designate themselves as an elector with no political party preference (i.e. "unaffiliated")."
- a. An elector has no Party Affiliation selected in the Party Column of the Poll Book.
 - 1) Poll Book Clerk: "I see that you have not yet selected a party affiliation. Would you like to select a party or remain unaffiliated? The party options are the Constitution Party, Democratic Party, Libertarian Party, or Republican Party or you may select unaffiliated which means that you have no political party preference. Also, this information is public record and will be part of your registration file."
 - 2) The Elector:
 - a) Makes Selection: Mark the elector's selection in the Party column of the Poll Book. Proceed to Line 5.
 - b) Does not want to make a Selection:
 - i) The Elector: Refuses to make a selection.
 - ii) Poll Worker: "I understand your frustration. Unfortunately, if you would like to participate in the Primary Election, you are required by 34-404, Idaho Code, to select a party affiliation or designate yourself as unaffiliated, meaning that you have no political party preference. Please keep in mind that this selection only applies to the Primary Election and has no effect on your voting selections for the General Election or any other election."
 - b. The elector has a Party Affiliation selected in the Party Column of the Poll Book.
 - 1) Poll Book Clerk: "I see that you have already selected the (insert party selected). Is this correct?"
 - a) Correct: Proceed to Line 5.

-
- b) Incorrect: Contact the County Clerk's Office to verify if the party marked in the Party column of the Poll Book was correctly entered by their office based on either the Voter's Registration Card or Party Affiliation form or if the entry was incorrectly entered.
- i) *County Clerk verifies that the entry was correct:* Poll Book Clerk: "This is the selection that you made on your (insert how the selection was made, either by a registration card or a affiliation form) that you submitted to the County Clerk's Office." If the selection was one of the 4 Political Parties, the elector is not allowed to change their affiliation selection unless the elector is re-registering because they have moved or their name has changed. If the selection was "unaffiliated," the elector may choose to affiliate with one of the 4 Political Parties on Election Day. If this is the case, mark the new selection in the poll book and make the notation "New Affiliation Selected" in the Remarks Column to the right of the elector's name. Then proceed to Line 5.
 - ii) *County Clerk verifies that the entry was incorrect:* Poll Book Clerk: "I am sorry that is a mistake during the processing of your (insert how the selection was made, either by a registration card or a affiliation form) that you submitted to the County Clerk's Office. I will make the correction." Make the correction in the Poll Book and make the notation "Correction - Affiliation Error" in the Remarks Column to the right of the elector's name. Then proceed to Line 5.
5. Poll Book Clerk: "Now, based on your party affiliation, you may select which ballot or ballots you would like to vote."
- a. "If you are affiliated with the Democratic Party, Constitution Party, Libertarian Party or "unaffiliated," you may select to vote one of the following ballot options:
 - 1) Democratic Party Ballot with a Non-Partisan Ballot
 - 2) Only the Non-Partisan Ballot
 - b. "If you are affiliated with the Republican Party, you may select to vote one of the following ballot options:
 - 1) Republican Party Ballot with a Non-Partisan Ballot
 - 2) Democratic Party Ballot with a Non-Partisan Ballot
 - 3) Only the Non-Partisan Ballot
6. Poll Book Clerk: "Thank you, please sign here next to your name. You may now proceed to the Issuing Clerk where you will be issued your ballot(s)."
- a. Direct the elector to the Issuing Clerk.
